

SCHADOC

Societies, Climate, Health, Artificial Intelligence Doctorate program

What's SCHADOC

SCHADOC is MSCA doctoral program Co-funded by Europe, Région PACA and AMIDEX.

SCHADOC will recruit 40 students over two calls (20 in 2025, 20 in 2026), to develop their doctoral training for 3 years.

4 research axes broad enough to be tackled by several scientific disciplines and AMU institutes:

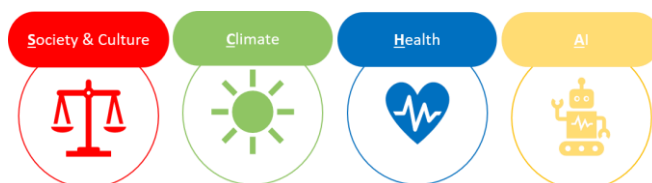

- Societies and culture
- Climate change and environmental challenges
- Health and well-being
- Artificial Intelligence and its applications

The triple I dimension

Interdisciplinarity: Two PhD supervisors from two different disciplines

Intersectorality: A socio-economic or cultural partner

Internationality: A mandatory secondment with an international partner, especially CIVIS.
